problem of American realism in the cultural history of a literary idea

The Architectural Imagination of Edith Wharton

This comprehensive, accessible guidebook traces the ways in which human beings have used narrative to make sense of time, space and identity over the centuries. Particular attention is given to:

- early narrative,

- the rise of the novel

- realist representation

- modernism and cinema

- postmodern narrative

- narrative and new technologies.

With a strong emphasis on clarity and a range of examples from oral cultures to cyberspace, this is the ideal guide to an essential critical topic.

John Neal and Nineteenth-Century American Literature and Culture

John Neal was one of the most influential voices in American literature. An examination of his relationship with the American Renaissance provides a useful overview of the period. Neal’s importance to the ongoing reassessment of the American Renaissance and the broader cultural history of the Nineteenth Century is highlighted in this critical reassessment of American novelist, editor, critic, and activist John Neal.

The Architectural Imagination of Edith Wharton

This broad-ranging companion brings together respected American and European critics and a number of up-and-coming scholars to provide an overview of Wharton’s work and place in American literary history. The Architectural Imagination of Edith Wharton includes contributions from scholars from the United States, Germany, England, Italy, and other countries, providing a well-rounded perspective on Wharton’s work and influence. The book is structured in a manner that allows readers to engage with the material at their own pace, making it a valuable resource for both students and scholars.

The Architectural Imagination of Edith Wharton

The Architectural Imagination of Edith Wharton is an essential guide for anyone interested in the life and work of this important American novelist. The book covers a wide range of topics, from Wharton’s early life and education to her later years and the influence of her writing on the architecture of her time. With its comprehensive coverage and insightful analysis, this guide is an indispensable resource for anyone seeking to understand the life and work of Edith Wharton.

The Architectural Imagination of Edith Wharton

In the aftermath of America’s centennial celebrations of 1876, readers developed an appetite for chronicles of the nation’s past. Born amid this national vogue, the field of American literary criticism has flourished, producing a rich tapestry of scholarship that examines the work of American authors from the earliest days to the present. The Architectural Imagination of Edith Wharton is a key figure in this research, offering a clear and engaging analysis of Wharton’s work and its significance for the study of American literature.

The Architectural Imagination of Edith Wharton

Edith Wharton has recently returned to prominence as a major American novelist. But few have taken her architectural work as seriously as she herself took it, or noticed its effects on her career. This multi-disciplinary book sheds light on Wharton’s career, examining her architectural and literary work in tandem, revealing their complex relationship. It also foregrounds the odd symmetry of her career, which began and ended in fierce attachment to traditional values, moving from Egypt in 1894 to榨来美国, and ending in the radically modernist structures and iconography of her grandest novel, ‘Interior’, in 1934.

The Architectural Imagination of Edith Wharton

The Architectural Imagination of Edith Wharton is a comprehensive study of the work of Edith Wharton, one of America’s most significant novelists. The book covers Wharton’s life and work, from her early years to her later career, and explores her influence on American literature and culture. The Architectural Imagination of Edith Wharton is an essential guide for anyone interested in the life and work of this important American novelist.
